

MPF MoneyMaster Certificate

Improving every Hong Kong worker's financial wellness, one employer at a time.

MPF MoneyMaster Certificate

The MPF MoneyMaster Certificate is a highly practical short course on MPF, designed to enhance a participant's professional resume while helping their employer promote financial knowledge and wellness in the workplace. Delivered 100% online via an innovative and user-friendly digital learning platform, the MPF MoneyMaster Certificate can be conveniently completed anytime and anywhere.

Benefits of promoting MPF, financial knowledge and wellness in the workplace

- ✓ Corporate social responsibility (CSR)
- ✓ Public recognition for employers and certificate scholars
- ✓ Digital logos and other promotional assets
- ✓ Priority voting for MPF Ratings' "Employers' Choice"
- ✓ Exclusive annual MPF Scheme Health Check benefits
- ✓ Social media and internet profile stories
- ✓ Employee access to financial education through MPF Ratings' "MoneyTree"

MPF Ratings

MPF Ratings is Hong Kong's leading provider of independent MPF research, ratings, views and education. Our mission is to drive better outcomes for MPF members and investors and enhance the level of retirement savings in Hong Kong. MPF Ratings provides a range of products and services to enable schemes to raise the quality of their performance, aid their transparency, and enhance their governance and compliance standards. We also help employers provide their duty of care in scheme selection for their employees, and we engage MPF members and investors with objective education, insights and easy-to-understand performance measurement tools.

Kaplan Professional

Kaplan Professional is Australia's leading provider of specialist financial services education and training. We are renowned for the quality of our programmes, practical learning outcomes, dedicated student support and flexible online learning.
